Harry & Izzy's is an independent, upscale American Grill that embodies class, sophistication, and comfort. As the companion restaurant to St. Elmo Steak House, Harry & Izzy's was named after the experienced restaurateurs who operated St. Elmo from 1947 to 1986, Harry Roth & Isadore "Izzy" Rosen.

The first Harry & Izzy's opened in the spring of 2007 in downtown Indianapolis and immediately made a name for itself, winning the title of People's Choice Best New Restaurant. Additional People's Choice accolades were soon to follow, such as Best Hamburger and Best Fries, and Harry & Izzy's subsequently became known as a bastion for local celebrities and business leaders. The success of its original location led to the building of a second location in the Indianapolis International Airport in 2008 and a third location on the north side of Indianapolis in 2011. The airport location found notoriety of its own, being named Best US Airport Food by USA Today.

As the companion restaurant to the famous St. Elmo Steak House, Harry & Izzy's shares a few classic dishes including the world famous St. Elmo Shrimp Cocktail®, steaks, and fresh seafood. It also offers a broader menu variety featuring gourmet pizza, pasta, and sandwiches. Its speakeasy inspired décor features dark woods, lush fabrics, and a large chalkboard updated with daily betting lines that complete an ambiance that will take you back to 1933.
